## PROJECTS

### [LazaRev. Design Agency Clone ↗](#)

Aug 2025

LazaRev—a cutting-edge digital product design agency recognized for merging AI-driven innovation with human-centered design. Faithfully replicating LazaRev's modern, professional aesthetic, the site features a responsive layout, smooth animations (using GSAP), and clean typography and color palette, ensuring seamless user experience across devices.

The agency specializes in:

Creating visually stunning, user-focused websites and interfaces

Delivering strategic UX/UI design, product design, motion design, and business analysis services for both early-stage startups and established brands

Guiding AI and ML businesses with brand and digital product expertise, driving growth from Series A funding onward
